Fundraiser garners \$600 for Fernley school supplies

The Little School House fundraiser recently netted \$600, which allowed members of Desert Wishes to purchase school supplies for Fernley Intermediate School.

GOOD NEWS!

A DAILY DOSE

Eli Westbrook of Desert Wishes said this was the third year that the group has donated to an area school, and it is simply a "way to give back to the community."

Westbrook noted that because of the economy, the group could not buy as many items as it had in previous years.

Westbrook said in a statement, "We would like to say thanks to the students of Sierra Nevada Job Corps. Without them, we could not have pulled this off."
