

November 30th, 2011

Traffic Safety Park is located in the Industrial Zone Manuel Zeno Gandía in Arecibo and we served the community since 1996, 15 years ago.

Traffic Safety Park provides the community theoretical and practical education on measures of Traffic Safety to children between the ages of 6 to 10 years. With facilities or structure responding a village, participant can simulate and implement what they learned in the classroom theoretical phase.

PESET works in conjunction with Arecibo Job Corps since June 2011. We offer the opportunity, for participants of its program to develop and implement the knowledge acquired in this program.

Respectfully yours
