Dear Mr. Brown:

I write today to sincerely thank you for your work in West Virginia. As your United States Senator, I deeply value our federal partners and the federal workforce in West Virginia.

It is my hope in the upcoming year that my office can work more closely and collaborate to make our state and nation a stronger and safer place. Please feel free to keep my office informed of events, initiatives and visits from your federal agency officials. We will be happy to assist your agency in any way we can.

I know you are accomplishing great things at your facility. Please know that members of my staff are available to stop by and see your excellent progress, and to keep in contact with you. If at all possible, I will schedule a visit as well. Enclosed is a copy of our state operations map, which provides office locations and contact information, and also details which representatives you can expect to see in your region. Additionally, my State Director, Mara Boggs, may also contact you to see how she can best help. She can be reached at [mara\\_boggs@manchin.senate.gov](mailto:mara_boggs@manchin.senate.gov) or 304-342-5855.

With warmest regards,

Joe Manchin III  
United States Senator
